## **VOLUNTEERS NEEDED FOR FEBRUARY 1 EVENT**

We have been asked to participate in a community outreach event at Crystal Harley Davidson on Route 19 in Homosassa (1147 S. Suncoast Blvd.). The theme is MEET THE GUARDIANS OF THE NATURE COAST.

It is a one-day, outdoor event on February 1<sup>st</sup> (Saturday) from 10am to 3pm. We are planning 2 shifts (8:30/setup to 12noon & 12noon to 3:30/teardown) and hope to have at least 2 people per shift. We should have warmer weather by then – in the 70's!

This event will bring together non-profit organizations that are dedicated to saving and preserving the wildlife and natural resources of the Nature Coast. There will be fun for the whole family – including music, food, animals to adopt, free rabies shots, etc. Even if you cannot man our booth, please stop by to learn about native plants, wildlife, our waterways and meet the other amazing non-profits in our area.

Time is of the essence, so if you can help out by covering a shift, please contact Molly Gurien at [mmgurien@gmail.com](mailto:mmgurien@gmail.com). Thank you for supporting us in this community outreach.

Your Board of Directors
